If you are looking for Indie books, Bibliotastic provides you just that for free. This platform is for Indio authors and they publish modern books. Though they are not so known publicly, the books range from romance, historical or mystery to science fiction that can be of your interest. The books are available to read online for free, however, you need to create an account with Bibliotastic in order to download a book. The site they say will be closed by the end of June 2016, so grab your favorite books as soon as possible.

5th Grade Science Trivia Questions

Lightning is the flash of light in a storm, and light travels faster than sound, so lightning is faster. The correct answer is Lightning. Lightning is the flash of light in a storm, and light travels faster than sound, so lightning is faster.

5th Grade Trivia - Science Fun

Since you've mastered 5th grade science, why not try another quiz and see if you know as much science as a 6th grader. Or, change gears and see if you can recognize important (and sometimes weird) lab safety symbols. Another way to improve your scientific skills is to try experiments in your kitchen.
