NOYO TRAWLER is a sensible and appealing craft, especially for those who might be interested in turning hobby fishing into a profit making activity, at least part of the time. While compact in size and trailerable, the hold has a surprising 140 cubic feet of volume that will take on a couple of tons of fish or other cargo...

Just as the Gulf Coast has shrimp boats and the Maine coast has lobster boats, so the Pacific Northwest has trawlers — snub-nosed bluff-bow fishing boats designed for punching through big seas. Sam Devlin, a venerable wooden-boat builder in Olympia, Washington, notes that the Pacific Northwest is on the windward side of the Pacific Ocean.
