HSBC Verbal Reasoning Test Questions Verbal comprehension tests are similar to verbal reasoning tests in that there is a passage of text to critically analyse with multiple choice answer options. The subtle difference is that the questions are not asking whether something is true, false, or not possible to say; they ask different questions about your understanding of the

By analysing the results of a standardised situational judgement test, HSBC are able to quickly see which candidates are suitable for the role and which are not. This sort of information about candidates' skills is difficult to glean from interviews and qualifications alone, so they use professional psychometric tests.
