Masculinity Class And Same Sex

Masculinity, Class and Same-Sex Desire in Industrial England, 1895-1957 explores the experiences of men who desired other men outside of the capital. In doing so, it offers a unique intervention into the history of sexuality but it also offers new ways to understand masculinity, working-class culture, regionality and work in the period.

By Rachel G. In class, we have discussed the constraints or barriers that adolescents have today when it comes to participating in sports and leisure. These constraints can become quite obvious in the physical education classes at school. In recent studies the question of whether co-ed or same sex is better for students is raised....
